

TRACY SPARTANS BASKETBALL

SUMMER BASKETBALL LEAGUE 2020

Every sport has certain inherent risks, and regardless of the precautions taken, it is impossible to ensure the safety of the participant. Basketball requires a high level of fitness and stamina. They involve quick bursts of speed, long periods of running, and physical contact with a ball and other participants. It is a reasonably safe sport as long as certain guidelines are followed.

Some hazards are the possibility of being struck by the ball, colliding with another player or with goal posts, and poor weather conditions. A variety of injuries occur, including muscle strain, sprains, fractures, contusions, abrasions, and dehydrations. Serious and disabling injuries and even death may result from participation in basketball. It is not possible to list each specific risk.

To help reduce the chance of injury to yourself and other participants, the following safety rules need to be followed during practices and games. Participants will (1) wear the proper protective equipment when they are on the basketball court including mouthpieces, shin pads, and athletic supports, (2) obey the rules of the sport, and (3) report all discovered defects in the basketball court.

I agree to follow the preceding safety rules as well as any others given by my coach. Further, I agree to immediately report any unsafe practices, conditions, or equipment to my coach. I also agree to report any injury to the coaching staff on the day that it occurs.

I certify that (1) I am physically fit to participate in basketball, (2) I understand that I am free to discontinue activity at any time I feel undue discomfort or stress, and (3) on the following lines is a complete list of any health-related conditions that might affect my ability to participate in basketball:

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Tracy Spartans has put in place preventative measures to reduce the spread of COVID-19; however, we cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending the games/practices could increase your risk and your child(ren)'s risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Spartans volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance or participation ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless Tracy Spartans, its staff, coaches, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of Tracy Spartans, its staff, coaches, and representatives, whether a COVID-19 infection occurs before, during, or after participation.

I have read the preceding warning of risks, my coach has explained the hazards to me, and I have had the opportunity to ask questions concerning the safety risks involved in basketball. Any questions I have asked have been answered to my complete satisfaction. I fully know, understand, and appreciate the risks inherent in basketball, and I am voluntarily participating in this activity.
